- MERLIN Properties conceived a commercial policy in order to share with its tenants the difficulties arising post Covid-19 outbreak

MERLIN Commercial Policy

Eligibility	▶▶▶	Tenants affected by the compulsory shutdown set forth in the state of alarm regulations			
Conditions to apply	▶▶▶	Tenants being up-to-date in their contractual obligations, including payment of past rents and common expenses			
Policy	▶▶▶	<ul style="list-style-type: none"> • 100% rent relief since March 15th (state of alarm) and up until the earliest of (i) end of compulsory shutdown, and (ii) July 31st • Common service charges continue to be paid by tenants • Tenants waive rights to take any future actions against MERLIN as a consequence of Covid-19

		Eligible universe ⁽¹⁾	3%	89%	97%
		Tenants that have accepted	100%	>85%	100%

• Business impact

It has met widespread acceptance within our tenant base, enhancing MERLIN’s brand value reducing litigation and eventually paying off in long term business performance
- On March 19th, MERLIN provided an update to the market regulator quantifying **the impact of the commercial policy as less than 10% of income**. This calculation assumed that the policy was accepted by 100% of eligible tenants and the relief persisted up until July 31st (i.e. 4.5 months)
- On April 28th, the **Spanish central government** published the general guidelines for the return to the **“new normality” over the next 8 weeks**.
